Cancellation Policy

If I register for the virtual event and am unable to attend, can I get a refund?

One of the benefits of a virtual event is that if you are unable to attend live, you still have access to on-demand Seminar content—including presentations & handouts—for at least six months, so the value of registration remains. Thus, there will be no cancellations—NO REFUNDS will be granted FOR ANY REASON.

Please make a copy of this registration to keep as your receipt.
